## PROLUSION

B N Patel Institute of Paramedical and Science (Paramedical Division) was established in the year 2010 keeping the needs of paramedical field as a major concern. The institute delivers best paramedical education, specialized training and placements for the bright future of the students. The institute also helps students to strengthen their theoretical knowledge through practical inputs in their concern specialization.

Further, the quality education at undergraduate as well as postgraduate level is ensured through unique courses and innovative teaching methods by expert faculty at the institute. The institute within a short time has created a benchmark and created its image in India and abroad as well. The institute is affiliated to Sardar Patel University, Vallabh Vidyanagar and the courses at the institute are approved by Faculty of Medicine of the university. The institute is recognized by University Grants Commission (UGC), New Delhi.

Moreover, the institute attempts to serve the society through education and clinical facility at affordable rates.

Last year the institute has initiated E-learning Short term Courses to provide Higher job Prospects & Employability. This Year The Institute has Started Medical OPD with Zyudus Hospital, Anand
